

To whom this may concern,

We would like to request to amend the name on our class C charter bus certificate. We are asking for the certificate name to be changed from: Kind World LLC TO Kind World LLC DBA Catch Me Rollin Party Limousine. Please refer to the Docket No. 2019-354-T, which was issued for our original application. Please let us know if there is anything else we need to do on our end.

Kind regards

Kind World LLC
